

## **Family Trip**

Dates July 5<sup>th</sup> – July 19<sup>th</sup>

This is the first year we have offered a trip for families! This is a wonderful opportunity to bring the entire family along for a humanitarian adventure of a lifetime. Or maybe just bring along your son or daughter for an amazing one on one journey together. Like all of our trips this adventure will focus on culture and immersion while also allowing the team to participate in an incredible project.

The group will spend 7 days working at Adziwa Orphan Community building a playground for the children who are under 5 years old. This group will be responsible for phase #2 of this project and will get finish the build that our first group will start as well as plan the ribbon cutting ceremony and see the community enjoy their playground first hand.

The children on the trip will participate in a portion of the build and will also have opportunities to participate in cultural activities planned just for us. Music, arts and crafts, traditional food preparation, scavenger hunts and more! At the end of the family trip we will all have a wonderful 3-day adventure in Zambia. Everyone will get to discover the beauty of all the African animals.
